

Joy to the World

2019

A truck stopped and told Pat that she looked cute. Well, with a pink shirt, pink socks, and pink hair spray, who could resist?

There are some that get more steps than Pat, but they're a lot younger and have a few other advantages.

2019 California State Button Show

Sandy enjoyed creating her competition trays; got 1st and 3rd place awards on the trays below.

You know you're getting old when:

1. creating pill animals is a source of fun & entertainment;

2. following Puppy Cam doesn't curtail travel;

3. celebrating St.Pat's Day is: the wearing of the green, including silly accessories;

4. finding that Aquaphor works better than lipstick;

5. coordinating color of tennis shoes, socks, and hair spray is a fashion statement;

6. discovering that 23 and Me plus Ancestry DNA can grow your family -- new House of Sweden president, Pat;

7. playing Kingston Trio songs on the ukulele is a joy; watching and listening is a pleasure, too!

Merry, Marry -- celebrating 35 years...
